Aircraft Maintenance Planning and Documents Engineer

Lufthansa Technik is the world’s leading provider for maintenance, repair and overhaul (MRO) of aircraft components and engines with more than 50 years’ experience in helping the world’s leading airlines deliver top-quality products at competitive rates.

Lufthansa Technik Sofia performs heavy maintenance checks on the Airbus A320 family and Boeing B737 including B737 Classic and B737 NG. The company is situated at Sofia airport and operates since October 2008.

In connection with development of our processes and company growth we are now looking for:

The role of the Aircraft Maintenance Planning and Documents Engineer is:

• Planning of aircraft maintenance events
• Preparation of manhour load and capacity plans
• Target setting to the maintenance organization
• Evaluation of customer workpackage in terms of material and manhour forecasting
• Project preparation management
• Development and preparation of project plans and critical path analysis
• Quotation of customer requests
• Preparation, customization and revision of work documents for production
• Preparation of analysis and reports
• Performance dialog within the project team

To be successful with the role you need to have:

• University degree in mechanical, electrical, aircraft engineering or industrial management
• Fluent in English
• Team orientated
• Good analytical skills, communicative, methodical and well organized
• Good PC skills of Microsoft Office applications
• Experience in airworthiness management or planning of aircraft base maintenance is beneficial, but not mandatory

The offer best suits you...

If you are ready to be trained in the Planning and Engineering trade for Maintenance Repair and Overhaul. If you enjoy working in a fast paced, team focused and friendly environment with plenty of opportunities for personal development.

If you seek to become an expert with wide knowledge of the maintenance procedures for variety of commercial aircraft types, including Airbus 380 and Boeing 747.

We appreciate highly your interest in our company and we can guarantee that each application will be considered with strict attention and confidentiality but only those selected for interview will be contacted.
